

Are you interested in a better work-life balance? Lower stress levels? Maybe even a shorter commute?

Do you want to work for an established locally-family-owned company with growth opportunities within?

Are you a positive and proactive employee that wants to flourish in a company where they are valued?

Do you want to thrive in an environment and be recognized for a job well done?

If the answer is “yes” to any of these questions then we have the job for you!

MOSSBERG INDUSTRIES in Garrett Indiana is a family-owned, fast-growing, technologically driven manufacturer of plastic injection molded products. We are in need of **1st shift** (M-F 7a – 3p), **2nd shift** (M-F 3p – 11p) and **3rd shift** (Sun – Thur 11p - 7a) Utility Operators (production workers) to join our growing team. If you are looking for an employer that treats you like family, this is the team for you! If you have attention to detail and are committed to workplace safety, no experience necessary as we will train you on the job.

What will I be doing as a Utility Operator?

- Perform operations on parts including assembly, packaging, labeling, and inspection.
- Build cartons, label, and seal as required
- Ensure all quality standards are met as required by our ISO specifications.
- Assist other operation team members with production duties as needed.
- Operate a clean and safe workstation.

What kind of applicants are a great fit for Mossberg Industries, Inc.?

- You are good at following instructions
- You like fast-paced work!
- You must be able to bend down, reach overhead, occasionally lift/carry up to 30 lbs and push/pull pallet jacks, regularly work on repetitive tasks, regularly use hands and fingers to handle, control, or feel objects, good vision, and regularly carry/lift 10 lbs or less (Reasonable accommodations may be made to enable individuals with disabilities to perform essential functions.)

What is the environment like?

- No hard hats or steel-toed boots. This isn't your typical factory job.
- You can listen to music by bringing you own radio or ear buds.
- Wear what you need to be comfortable and productive. Think jeans, t-shirts, shorts, and supportive closed-toe shoes.
- Beat the heat this summer in our temperature-controlled work environment!
- Grow with us! Mossberg Industries values the development and growth of each employee professionally and personally. In fact, many of our leaders have been promoted from within!
- Company-provided meal the last Friday of every month!
- Quarterly attendance bonus.
